

LITTLE LEAGUE

SPRING 2007

Dear Parents, Coaches, and Players:

On behalf of Merritt Island Little League, I'm thrilled to welcome you to our 2007 spring baseball season. Opening day is truly a memorable, magical event for all involved. Our community is filled with renewed enthusiasm, with little league baseball on the horizon. The appealing vision of a little league baseball diamond, accompanied by our precious children, brings joy and promise. Smiles seem to be wide and contagious, as players are interacting, socializing, and growing together within our community through the great game of baseball. Players are grasping and learning fundamentals, skills, along with ideals that will produce bright contributing citizens to society.

I would like to take this opportunity to recognize and acknowledge the numerous contributors to Merritt Island Little League. First, our league is currently comprised of twenty Board Members. We are extremely fortunate to have many accomplished, unselfish, and motivated volunteers dedicated to the children. We should be proud and respect their effort, commitment, and patience while working cooperatively throughout this tedious process. Once again, thank you very much to our Board of Directors!

In addition, we would like to commend others who are actively involved, but are not members of the Board. Equally, they share our passion and vision toward a prospering league and future. I would like to extend my gratitude to our managers and coaches for their leadership. They continue to provide quality instruction while emphasizing lessons beyond the baseball diamond. Furthermore, Our Team Mom's supply needed structure and guidance through a nurturing touch. Please be thankful and supportive of our volunteer umpires throughout the season. These individuals give their time in a selfless manner. I would like to extend special regards to our community partners that support Merritt Island Little League. We appreciate your kindness and generosity! Lastly, I would like to thank the Brevard County Parks and Recreation Department for our beautiful facilities. As guests, please care and take pride in these wonderful parks.

I'm excited and eagerly looking forward to a great season. Baseball is America's "past-time," and a huge part of our culture and Country's rich history. I sincerely hope this game lends ample opportunity for our children to unite and mature, while fostering respect for one another. Please embrace each child's effort, enthusiasm, and unique contributions they may offer as a teammate. Our players should be challenged within a peaceful and safe environment. Please remember to support the commitment and work ethic that every child puts forth. As adults, leaders, we must strengthen the confidence and self-esteem of our future generation. As life dictates, children will often struggle and encounter humbling experiences through healthy competition. As a result, we are building and preparing our youth for certain life experiences. Please be proud, and love the children for the immense joy they bring to our lives. I thank you very much for your consideration and support! I look forward to meeting and speaking with you, see you at the fields!

Respectfully,

Jack Luchs
President
Merritt Island Little League

Little League Pledge

I trust in God
I love my Country
And will respect its laws
I will play fair
And strive to win
But win or lose
I will always do my best

Parent/Volunteer Pledge

I will teach all children to play fair
and do their best.
I will positively support all manager,
coaches, and players.
I will respect the decisions
of the umpires
I will praise a good effort despite
the outcome of the game.

"From the ranks of youngsters who stand now
On the morning side of the hill
Will come the leaders, the future strength
And character of the nation."

Baseball grounds us.
Reminds us of who we are.
Tells us how we're doing.
Other games rise and fall in popularity,
yet baseball endures, ever-present, a marker of years.
Play the game with pride and hustle.
