

LITTLE LEAGUE

SPRING 2008

Dear, Parents, Players, and Coaches,

On behalf of Merritt Island Little League, it's my sincere pleasure to welcome you to our 2008 spring baseball season. Opening day brings joy, excitement, and renewed enthusiasm throughout the community. Our children are creating and sharing precious moments through the game of baseball. Our players will be acquiring necessary social skills, fundamentals, along with ideals to stimulate progress and growth.

I would like to reflect on a tremendous 2007 fall, spring, and post baseball season. MILL and our community enjoyed a terrific year. Our league worked diligently, and hosted fall baseball for consecutive seasons; 2006, 2007. The fall leagues were respectively enormous, consisting of 31 teams and 370 players *per season*. Five local little leagues united across the county to play baseball. This was an incredible community wide effort and experience. Our MILL 2007 regular and post season was equally magnificent. Our league proudly furnished two teams which competed at the annual "County Tournament." In addition, all three MILL All-Star Teams valiantly participated in District Championship Games! The 11-12 year old team won the District 22 Championship. As a whole, our league enjoyed a fabulous year.

Furthermore, we need to thank, recognize, and acknowledge the numerous generous contributors to MILL. I would like to commend our Board of Directors. We are extremely fortunate to have volunteers who are motivated, dedicated, and give their time to prepare for a lengthy season. We should be proud, and respect their commitment while working cooperatively through the *entire* year.

In addition, we are grateful for our other contributors who remain actively involved. Equally, they share our vision toward a bright future. I would like to extend thanks to our managers and coaches for their guidance and leadership. They continue to provide quality instruction while building character and courage. Our Team Mom's ensure structure and stability throughout the *entire season*. We appreciate your nurturing touch. Please be thankful for our fantastic volunteer umpires. They continue to be consistent, and do a tremendous job within our local league. We would like to extend our gratitude to our community partners. We truly appreciate your support, kindness, and generosity. Also, a special thanks to the Brevard County Parks and Recreation Department for the wonderful facilities. As guests, please care and take pride in these beautiful parks. Lastly, I would like to thank the entire community. The success of a local little league is predicated on volunteers. Through your efforts we will be able to teach the rewards of teamwork, respect, self-discipline, and responsibility. As adults, role models, we are ultimately responsible for teaching the concept of "sportsmanship" to our youth. We must provide a safe, fun, positive environment which will cultivate the growth of each child. Little league was established for children to play, thrive, while building confidence in a healthy atmosphere.

In conclusion, we are eagerly looking forward to a great season. Please remember, baseball is America's "past-time," part of our culture and country's rich history. I sincerely hope this year lends ample opportunity for children and adults to unite, while fostering respect for one another. Please embrace each unique child. I firmly believe we should challenge our players in a peaceful, respectful, nurturing setting conducive to learning. It is vital we support their commitment with positive encouragement. We must build the confidence and self-esteem of our future generation. Our children will often struggle, stumble, and encounter humbling situations. But, we must prepare our youth for certain life experiences. Please be proud and adore the children for the immense joy they bring to our daily lives. Please feel free to contact and communicate with our Board of Directors. I look forward to meeting and speaking with you. The sun is warm and bright, the grass is green, hot dogs smell delicious,

PLAY BALL! Respectfully,

Jack Luchs
President
Merritt Island Little League

Little League Pledge

I trust in God
I love my Country
And will respect its laws
I will play fair
And strive to win
But win or lose
I will always do my best

Parent/Volunteer Pledge

I will teach all children to play fair
and do their best.
I will positively support all manager,
coaches, and players.
I will respect the decisions
of the umpires
I will praise a good effort despite
the outcome of the game.

"From the ranks of youngsters who stand now
On the morning side of the hill
Will come the leaders, the future strength
And character of the nation."

Baseball grounds us.
Reminds us of who we are.
Tells us how we're doing.
Other games rise and fall in popularity,
yet baseball endures, ever-present, a marker of years.
Play the game with pride and hustle.
