

LITTLE LEAGUE

SPRING 2009

Dear Parents, Coaches, and Children,

On behalf of Merritt Island League, we proudly present the 2009 spring baseball season. Little League Baseball, Opening Day, creates excitement throughout our community. Opening Day Ceremonies bring promise and renewed enthusiasm along with memories guaranteed for a lifetime. Our children will prosper socially, emotionally, and physically through the game of baseball. Players will grasp fundamentals, ideals, and concepts which will stimulate immeasurable growth.

Originally dubbed "Rounders", the game of baseball has been tracked to the Civil War Era. The first professional baseball game was played in Hoboken, New Jersey, 1846. The origin of little league baseball, the "Sandlot", dates back to 1939. Mr. Stotz, founder, incorporated community support, and originally established three youth teams. Over the years, the game has been amended to suit fans, patrons, and proprietors. The game of baseball is considered sacred, America's "National Past-Time", and part of our country's rich culture. We are fortunate to share this blessing with our youth and neighbors.

Furthermore, we must take this opportunity to acknowledge, recognize and thank the numerous contributors to MILB. First, I would like to commend our Board of Directors! We are extremely fortunate to have numerous volunteers who are motivated and dedicated to the children, league, and community. Please be proud, and respect their commitment while they work cooperatively throughout the entire year.

In addition, we are grateful to others who are actively involved. Equally, they share our passion and vision toward a prosperous future. We would like to extend our gratitude to our coaches for their leadership and guidance. They continue to preach fundamentals, build character, and teach lessons beyond the baseball diamond. Also, our Team Moms provide structure and stability through their nurturing touch, thank you! Please be thankful and supportive of our volunteer umpires. We would like to extend thanks to our community partners. We appreciate your support, generosity, and sincere interest within MILB. We would like to thank the Brevard County Parks and Recreation Department for the wonderful facilities. Lastly, we would like to forward our gratitude to the families within MILB for their kindness and genuine support.

To conclude, we are looking forward to a fantastic year. I sincerely hope this year lends ample opportunity for our community, parents, and children to unite while fostering respect for one another. I firmly believe we must challenge our youth in a peaceful, respectful environment conducive to learning. Adults, leaders, role models must strengthen confidence and build self-esteem. Inevitably, children will stumble, struggle and suffer humbling experiences. We are preparing children for certain life experiences. Please be proud of the children! Their effort and courage is admirable. I thank you very much for your consideration and support. Please contact a MILB Director if you have any questions or concerns. I look forward to meeting and speaking with you. Now, lets

PLAY BALL!

Respectfully,
Jack Luchs
MILB President

Little League Pledge

I trust in God
I love my Country
And will respect its laws
I will play fair
And strive to win
But win or lose
I will always do my best

Parent/Volunteer Pledge

I will teach all children to play fair
and do their best.
I will positively support all manager,
coaches, and players.
I will respect the decisions
of the umpires
I will praise a good effort despite
the outcome of the game.

"From the ranks of youngsters who stand now
On the morning side of the hill
Will come the leaders, the future strength
And character of the nation."

Baseball grounds us.
Reminds us of who we are.
Tells us how we're doing.
Other games rise and fall in popularity,
yet baseball endures, ever-present, a marker of years.
Play the game with pride and hustle.
