

SPRING 2010

To Our Community,

On behalf of Merritt Island Little League, we proudly present the 2010 spring baseball season! Little League Baseball stimulates enthusiasm, excitement, and promise within our community. Our children will thrive socially, emotionally, and physically on the diamond through the game of baseball. Thankfully, we are afforded the opportunity to cherish our "National Pastime" with family and friends.

This past fall, Merritt Island Little League attempted to merge/unite with North Merritt Island Little League. Our respective leagues are roughly two miles in distance. The obvious dividing line between neighboring leagues is State Road 520. Each Little League has suffered dwindling participation numbers over the years. A majority of community members ratified the merger per Little League protocol, under the jurisdiction of our District Administrator. However, the merger was "Deferred" by Little League Incorporated, Williamsport, Pennsylvania. General members residing within the adjacent leagues were sincerely disappointed. We simply intended to unite the Merritt Island Community. Currently in Merritt Island, our children share schools, churches, parks, and participate cooperatively through several other recreational sports. The children of Merritt Island play soccer, basketball and football as a community. Hopefully, the future will yield another opportunity for our youth to share the baseball diamond.

Furthermore, we would like to take this opportunity to acknowledge and thank the numerous contributors to MILL. First, I would like to commend our Board of Directors! I would like to express gratitude and appreciation toward our volunteers. Please be proud, and respect their commitment to our children, league and community.

Additionally, we are grateful to others who are actively involved. We would like to extend our compliments to our managers and coaches. We appreciate their leadership and guidance. Our coaches preach fundamentals, build character, and teach invaluable lessons to our youth. Also, please acknowledge and thank our Team Moms who provide structure and stability throughout our league. Please appreciate and support our volunteer umpires. We would like to extend our thanks to our sponsors and community partners. We truly appreciate your support, generosity, and sincere interest within MILL. Furthermore, we would like to express our gratitude to the Brevard County Parks and Recreation Department. We are blessed to have safe facilities, and manicured fields for our children to roam.

To conclude, we are looking forward to a fantastic season! Please embrace our players and praise their effort. Be proud of their courage and commitment. The game of baseball presents numerous individual challenges. Adults, role models, must strengthen the esteem and confidence of our youth. No doubt, every child will stumble, errors on and off the field are inevitable. However, we are responsible to reach for a hand. Please be proud of our children! I thank you very much for your cooperation, patience, and support this year. Please contact a MILL Director if you have any questions or concerns. I look forward to meeting and speaking with you. Time to PLAY BALL!

Respectfully- Jack Luchs
MILL President

Baseball grounds us.
Reminds us of who we are.
Tells us how we're doing.
Other games rise and fall in popularity,
yet baseball endures, ever-present, a marker of years.
Play the game with pride and hustle.
